

HOULIHAN LOKEY

Houlihan Lokey's

# 12th Annual Global Industrials Conference

May 18, 2017 at The Hilton New York

## Conference Overview

Houlihan Lokey is pleased to host its annual Global Industrials Conference on Thursday, May 18, 2017, at the The Hilton New York. This conference is an excellent forum to develop relationships, expand industry contacts and gain insight into strategies across industries.

## Conference Format

Executives from high-performing industrial companies will showcase their businesses to an audience of over 600 prospective financial, institutional and strategic investors.

**Company Presentations:** Highly successful industrial public and private companies will present overviews of their respective business models and growth strategies.

**Panel Discussions:** Topical, in-depth panel discussions will feature speakers from domestic and international industrial players, financial firms and governments.

**Sector Overviews:** Houlihan Lokey industry bankers will present detailed overviews of each of the sectors listed below.

**One-on-One Meetings:** Targeted, one-on-one break-out sessions with presenting companies will be arranged by invitation.
