

Balchem Corporation Announces Quarterly Conference Call for Second Quarter 2025 Financial Results on July 31, 2025

Montvale, New Jersey. July 17, 2025. Balchem Corporation (NASDAQ: BCPC) today announced that a conference call will be held on Thursday, July 31, 2025, at 11:00 AM Eastern Time (ET) to review second quarter 2025 results. Ted Harris, Chairman of the Board, President and CEO, and Martin Bengtsson, CFO, will host the call.

Second quarter results will be published prior to the market opening on Thursday, July 31, 2025. The press release, and its accompanying financial exhibits, will also be available on the Company website, www.balchem.com, prior to the conference call.

To improve the quality of both the live and recorded audio for our conference calls, we have changed systems so please take note of the new procedures.

Institutional investors, analysts and other members of the financial community are invited to join the live call by dialing **800-715-9871** (toll free USA/Canada), **+1-646-307-1963** (USA/International) or **647-932-3411** (Canada/Toronto), five minutes prior to the scheduled start time of the conference call. Investors and the public are invited to listen to the live webcast at <https://events.q4inc.com/attendee/126702503>. The conference call will be available for replay shortly after the conclusion of the call at <https://events.q4inc.com/attendee/126702503> for one year.

About Balchem Corporation

Balchem Corporation develops, manufactures, and markets specialty ingredients that improve and enhance the health and well-being of life on the planet, providing state-of-the-art solutions and the finest quality products for a range of industries worldwide. The company reports three business segments: Human Nutrition & Health; Animal Nutrition & Health; and Specialty Products. The Human Nutrition & Health segment delivers customized food and beverage ingredient systems, as well as key nutrients into a variety of applications across the food, supplement, and pharmaceutical industries. The Animal Nutrition & Health segment manufactures and supplies products to numerous animal health markets. Through Specialty Products, Balchem provides specialty-packaged chemicals for use in healthcare and other industries, and also provides chelated minerals to the micronutrient agricultural market.
